Sunriver Music Festival Presents Tom Grant in an Evening of Music and Romance on Valentine's Day

Have you made Valentine's Day plans for you and your special "someone" yet? One of the best choices in Central Oregon for your Valentine's Day romantic outing is in Sunriver at the Sunriver Resort Great Hall.

Master instrumentalist, talented singer and natural entertainer Tom Grant will bring an evening of romantic favorites and Tom Grant originals to Sunriver for the Sunriver Music Festival's Valentine's Day Dinner and Concert on Sunday, February 14.

Along with Tom Grant's concert, the Sunriver Resort chefs have created a special three course Valentine's Day menu for the evening. Guests will sit down to a delicious meal in the beautiful Great Hall and enjoy a romantic evening of wine, food and music. Come alone or bring your friends. Tables for two or eight are available.

Singer, songwriter and pianist Tom Grant nimbly walks the line between jazz tradition and modern pop. This soft-spoken Oregon native's inspired songwriting produces propulsive R&B grooves, infectious melodic hooks, and stylish ballads with equal ease. He plays jazz piano with the harmonic sophistication and deep sense of swing that only comes from more than three decades on the bandstand. At the same time, his recordings have consistently landed at the top of the Smooth Jazz charts, a genre of music Tom helped pioneer in the mid-80s. Read more about Tom Grant at www.tomgrant.com.
