**CLASSICAL MUSIC AND GOLF: A WINNING COMBINATION
CELEBRATING A 40TH ANNIVERSARY THIS JUNE**

SUNRIVER, ORE – Can you play classical music on a Sunriver golf course? Well, yes, and Sunriver Music Festival performers will be playing live at the SWINGS FORE STRINGS golf tournament, Sunday, June 4th. But the major reason to join the fun is to support a great cause with a day of wonderful Sunriver golf, food, beverages, live music, and camaraderie!

This is the 40th Anniversary of the Sunriver Music Festival and sponsors have gone all out to make this year's 9TH annual event special. Long-time title sponsor Precision Body & Paint will help ensure that every golfer enjoys:

- **18 holes of fabulous golf with cart on Sunriver Resort's Woodlands Course,**
- **Raffle prizes and fun challenges on selected holes,**
- **And a 40th Anniversary Reception including complimentary beer from Sunriver Brewing Company, wine, a catered dinner from Sunriver Resort, awards, and music from the Sunriver Music Festival.**

PLUS, thanks to Sunriver Resort, **all tournament players can play a round of golf at both Meadows and Woodlands courses at the special rate of \$50 (cart included) on June 3rd, 4th and 6th.**

Tournament cost is \$125 per person, \$500 for a foursome. Promote your business by sponsoring a hole for \$225. Hole sponsors received one tournament entry and their name on a sponsored hole, plus a mention in all promotional materials.

The tournament kicks off with registration at 1:30 a.m. on Sunday, June 4th. The shotgun start (scramble format) is at 1:00 p.m. All proceeds from the tournament benefit the festival's summer concerts and the Young Artists Scholarship program.
